**PROTECT YOURSELF FROM FRAUD**

\*Ask whether you are hiring an **attorney** (a professional who has a **license** to practice law) or a **BIA accredited representative**. \***Don't** believe anyone who tells you that there is already a new immigration relief program in place. \***Don't** trust anyone who says that they can guarantee you a work permit, visa or a green card. If you suspect fraud, report it to your consulate or the police.

\***Don't** give money to notarios or scammers who promise to help you apply.
