Posted on [October 21, 2016](#) by [nclrblog](#)

At [Carlos Rosario School](#), one of our Washington, DC Affiliates, staffers have been working hard to register as many new voters as they can in advance of the 2016 election. Earlier this week, [we shared](#) with you responses from one of those newly registered, Jennifer Zoeller. She is also a brand new citizen who will be casting her very first vote in a U.S. election next month!

Now, in a new video, our Affiliate has produced a brand new video highlighting why other new Americans will be voting next month. Watch the video and then let us know why you vote!
