

# Achieving the Dream Luncheon 2018

Be a part of the transformative work of the Carlos Rosario School!

Help us host our annual 2018 Achieving the Dream Luncheon at our Sonia Gutierrez Campus. This event will allow us to share with current and prospective partners the great work happening at the Carlos Rosario School and to highlight new ways to get involved! Through funds raised at this event we are able to finance important programs and activities not covered by our per pupil allotment, such as higher education scholarships. During our last Achieving the Dream Luncheon we were able to raise over \$58,000!
