Josue's story

Josue studied ESL, GED and Microsoft Office Applications at the Carlos Rosario School before applying to college. Without much money to cover his tuition, Josue applied for and was awarded a Carlos Rosario Scholarship.

Josue remembers his first college semester. *"I recall with joy the first A grade that I got on my English paper. I was so happy and proud of myself that I wanted to treasure it forever."* Josue is one of several deserving Carlos Rosario scholars with a college dream. Without scholarship donors, this would not be possible.
