

Help us get students *to*  
*and through* college!

## CARLOS ROSARIO SCHOOL'S 2018 Scholarship Program

For more than 45 years, the Carlos Rosario International Public Charter School has transformed the lives of more than sixty thousand adult immigrants. Each year the Carlos Rosario School awards scholarships to graduates going on to college and vocational programs. With the recent introduction of our Transitions program, **30% more students are continuing on to higher education!**

**But the number one reason these scholars discontinue their studies is a lack of funds.**

Sending our students to college isn't enough. We are committed to getting our students *to and through college*.

In response to student need and increased demand, we are proud to announce the Carlos Rosario School is offering **four-year scholarships**. Selected students will receive:

A 4-year scholarship

**\$4,000** every year for a bachelor's degree  
**\$2,000** every year for an associate degree  
or trade certificate

This year, we hope to award 46 Carlos Rosario School graduates up to **\$130,000 in scholarships**.

**We need your help.**

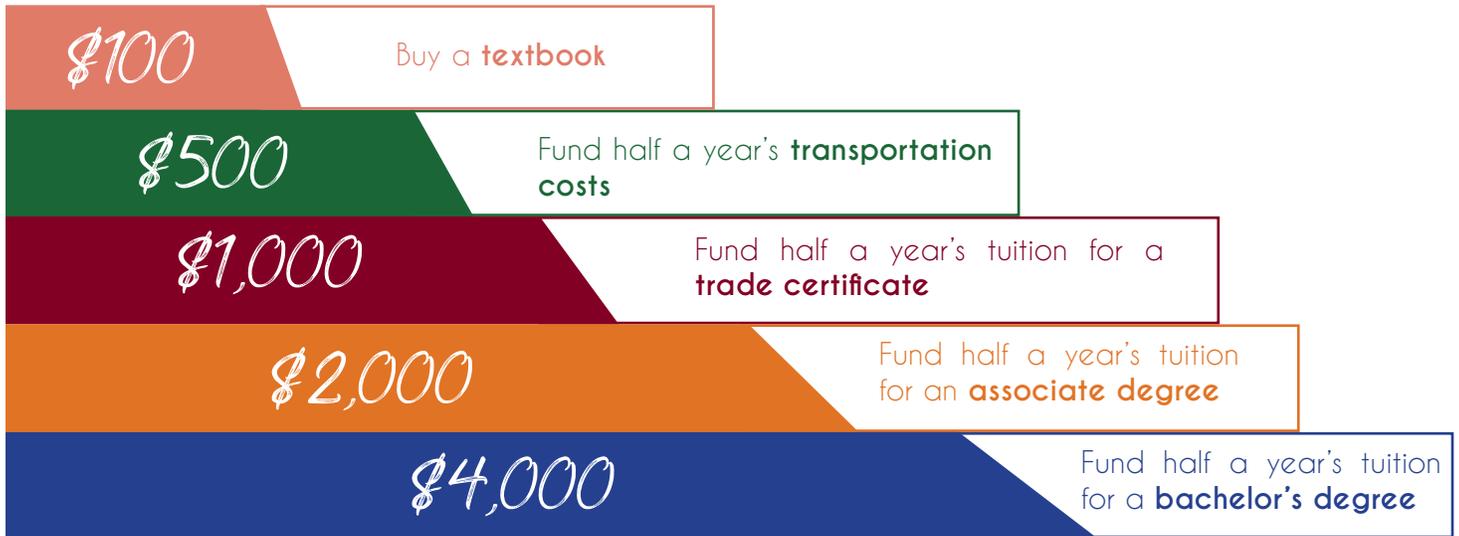

### *Josue's story*

Josue studied ESL, GED and Microsoft Office Applications at the Carlos Rosario School before applying to college. Without much money to cover his tuition, Josue applied for and was awarded a Carlos Rosario Scholarship.

Josue remembers his first college semester. "I recall with joy the first A grade that I got on my English paper. I was so happy and proud of myself that I wanted to treasure it forever." Josue is one of several deserving Carlos Rosario scholars with a college dream. Without scholarship donors, this would not be possible.

## How can you help?

## Named Scholarships

Make a one time donation of **\$1,000 or more** and name a scholarship in honor of a person or organization special to you. You'll receive a written profile of your student, an invitation to an event where you can meet your scholarship recipient, and updates on your student. In addition, your support will be recognized in our annual report and website.

## Legacy Scholarships

Create a lasting legacy. Pledge to give **\$1,000 or more for four years** and become a Legacy Donor. Support a student on their entire higher education journey. Receive all the benefits of a named scholarship, plus special designation as a Legacy Donor and special recognition for four years at our scholarship reception.
